Key: ESG = Environment Subgroup

GBCP= Greater Bedminster Community Partnership

BCC= Bristol City Council

S106= funds from developers to mitigate the effects of development in the local community.

**Minuits**

Action: ESG to recommend to GBCP that when friends of parks groups request S106 they include a park plan in their application.

Action: ESG to recommend to GBCP that groups that benefit from S106 send in a picture and explanation of

what has been achieved with the funds. Failure to do this could mean ESG will not consider further applications to S106. If nothing has been achieved due to reason outside the groups control then this will be accepted.

Action: Park Plans review to be on next meeting agenda.

Action: Terms of Reference to be reviewed at next ESG meeting.

Action: Check sites of trees are viable.

Action: Lorena to chase document from Richard Ennion stating that Bedminster has the lowest bio diversity in Bristol.

Action: Lorena to find out whether the council can provide more funds for street trees due to the fact that they have a lower diversity then other wards across the city.

The street tree groups recommendations agreed by ESG. Next meeting will be planned after outcome of viability of trees is known. Lorena to send invite to all ESG members.

Action: Lorena to find flooding report from Sarah Toy  
BCC.

Next meeting:

3rd November ACTA centre, Gladstone Road 7.pm to  
9pm
