

Greater Bedminster Community Partnership Plan 2016-18

Our vision is to make the Greater Bedminster Neighbourhood Partnership area, a neighbourhood where we all value:

- 1. Civic pride, protecting our public realm and making it better;**
- 2. Respect and compassion;**
- 3. Aspiration, energy, enthusiasm and creativity;**
- 4. Personal responsibility and accountability;**
- 5. Community development, involvement and 'grass-roots' action;**
- 6. Future generations and will therefore seek to protect their long term interests.**

Purpose

This plan provides a full picture of the work the Community Partnership will deliver over the next 3 years 2015-17 as well as work it aspires to deliver if resources become available. The Plan will:-

- Prioritise work and projects using resources at its disposal
- Show aspirational work and projects to be prioritised and allocated against once resources secured
- Be reviewed annually
- Where possible show how local priorities and projects can contribute to the delivery of National priorities, Bristol citywide Mayoral priorities and local GBCP members' priorities.

Community Partnership Resources

People

- Neighbourhood Partnership Coordinator (18.5 hours per week)
- Neighbourhood Officer (25 hours per week)
- Local ward Councillors, Community Partnership Representatives and Board members

Money

1. The Neighbourhood Budget:

Highways – £34,284

Community Chest fund – £20,000 for a twelve month period

Clean and Green fund – £1,163

Section 106 – this is money that developers of larger sites pay to the council to reduce the impact of the development. Developers sign a S106 agreement as part of their planning permission. This is a legal document that specifies what the money is spent on and where. For example, S106 money is used to make improvements to highways, parks, public transport and schools. Section 106 funds are variable and dependant on the level and scale of local developments.

Community Infrastructure Levy (CIL) – this allows local planning authorities to raise funds from developers who are undertaking new building projects in their area. The funds raised will go towards infrastructure that is needed to support the growth of the city, such as schools and transport improvements. CIL funds are variable and dependant on the level and scale of local developments.

Greater Bedminster Community Partnership Board Members

Local Councillors (Neighbourhood committee of councillors)

Celia Phipps	Bedminster ward
Charlie Bolton	Southville ward
Mark Bradshaw	Bedminster ward
Stephen Clarke	Southville ward

Representing Community, Voluntary and Faith Organisations

Ben Barker
Ricky Dowden
Alan Pratley
Kris Tavender
Simon Hankins
Alan Baker
Naomi Fuller
Alice Ferguson

Donald Branch
Mike McBeth
Phil Manning

Representing Equalities
Julie Chapman

Evidence

The priorities and activities within the Greater Bedminster Community partnership Plan have been informed by a range of information, quantitative and qualitative data, and research findings.

- 2011 Bedminster and Southville Ward Profiles
- Greater Bedminster Community Partnership profiles
- 2014 Quality of Life survey
- Police data
- Area Green Space plan
- Learning Partnership West datasets
- Joint Strategic Needs Assessment 2012
- Bristol Council Property Services community facilities audit

How does the Partnership operate and makes decisions?

The Community Partnership has twelve Community Partnership meetings per year, of which four are designated Neighbourhood Committee meetings. All the meetings are open to any member of the public to attend and take part in the discussions at the meetings. All Neighbourhood Budget decisions are made by the four ward councillors. All City Wide Bristol City Council resources decisions are taken by all members of the Community Partnership.

The Community Partnership has two sub groups:
Environment Sub Group – A meeting of residents, voluntary and statutory sector agencies
Mobility and Transport Sub Group – A meeting of residents, voluntary and statutory sector agencies

The Partnership has a funding panel made up of local people that meets to assess and make recommendations on the allocation of the Community Chest Fund and the Community Partnership Green Capital Fund.
